Secretary Pompeo Endorses Mark Kahrs for Kansas Republican National Committeeman

Today, 70th Secretary of State Mike Pompeo endorsed Mark Kahrs for Kansas Republican National Committeeman.

Speaking about the endorsement, **Secretary Pompeo said**, "I've known Mark for years, from my time as a businessman in Kansas to my time serving as a Kansas Committee Member, and I have fought alongside him through thick and thin. Mark is a strong, dependable conservative leader who will always rise to meet adversity. He will fight for Kansas families and farmers and support our military at home and abroad. We need Mark to continue to lead in the fight to defend the conservative values that make Kansas a truly special place."

"Secretary Mike Pompeo is a tireless advocate for Kansans, Americans and for our conservative values," **said Kahrs**. "He's defended our country as an officer in the Army, protected our interests as US Secretary of State, and as a former Kansas National Committeeman and Congressman, he fought for our shared principles. I am deeply honored by his trust in me, because I know he expects nothing less than the same from me as a National Committeeman."
